--	--

На своей печи – сам себе голова
Всяк кулик свое болото хвалит
Мужчины строят дома, а женщины создают уют
У того нет дома, у кого он везде
В гостях хорошо, а дома лучше
Всяк кулик на своем болоте велик
В гостях хорошо, а дома лучше
Дома и солома съедома

What is home?

- A roof to keep out the rain. Four walls to keep out the wind. Floors to keep out the cold.
- Yes, but home is more than that. It is the laugh of a baby, the song of a mother, the strength of a father. Warmth of living hearts, light from happy eyes, kindness, loyalty, comradeship.
- Home is first school and first church for young ones, where they learn what is right, what is good and what is kind. Where they go for comfort when they are hurt or sick.
- Where joy is shared and sorrow eased. Where fathers and mothers are respected and loved. Where children are wanted. Where the simplest food is good enough for kids because it is earned. Where money is not so important as loving kindness. Where even the tea kettle sings from happiness.
- That is home.
